Character Reference for Cliff Leatherbarrow

English Teacher in Korea

To Whom It May Concern

Cliff Leatherbarrow has been an English teacher in an English academy for a year and was my co-worker. We taught 7 year – 9 year old children in 6 classes and he was good at it. He also taught a class of 5 year olds everyday and classes at a Korean Kindergarten across the road from our school.

While he was in our school, Cliff taught children English, Math, Science, Monthly themes, Art and Craft and other subjects. He had field trips, open classes, parent's night concerts, parent teacher conferences, and prepared resources and materials for the school. He wrote progress reports and newsletters, weekly plans and made preparation for lessons. Cliff is a talented musician and used music in the classroom with his guitar and singing to teach children English. His communication skills with children and preparation using the computer are excellent.

Cliff was always polite, helpful and friendly. He is a hard worker and would often work overtime outside his working hours. He was well liked by pupils and a very popular teacher at our school.

In summary, I highly recommend Cliff for any position or endeavour that he may seek to pursue. He will be a valuable asset for any organization.

Sincerely,

Juhee Cha (Olivia)
