RE: *Teaching / ESL Positions*

Dear Sir/Madam,

As a graduate of the University of Ottawa, I have student teaching experience across the junior/senior high grade levels in both suburban and urban public school settings.

In addition to receiving the Ontario Teacher's Federation Prize for "*academic excellence and outstanding qualities of leadership and character*", I excelled at integrating modern technology into my practicum classes (drama, computer science, and film production) in exciting and innovative ways.

I went on to complete a masters of education program with high honours and was referred to the PhD program by my professors. During my studies, I was consistently employed by the university to teach. I assisted in the marking and delivery of courses at the B.Ed. level and also served sports services as a martial arts instructor and recreational skating coach.

I worked also for the city of Ottawa as a skating instructor teaching young children and adults alike.

During my years of instructional experience, I have nurtured a soft spot for children and a love of education. I am patient, kind, good natured, and a joke is never far from my lips. Since graduating, I have taken several contracts which demanded skills developed during my graduate work, but this has kept me out of the classroom full-time, until now. I have worked professionally in the areas I teach (programming/web development, film/tv production, scriptwriting) and use my hands on real-world experience to inform curriculum.

I have a particular interest in teaching abroad. I am young, well travelled (have spent time in the UAE amongst many other countries) and hold the upmost respect for local laws and traditions. I am currently registered as a casual substitute teacher with the Halifax Regional School Board, am licensed to teach in British Columbia, Ontario and Nova Scotia, and look forward to the opportunity to discuss in person how my passion, experience, and skills will benefit your school and students. I would welcome an interview and hope to hear from you at your earliest convenience.

Sincerely,

Benjamin Stevens

Benjamin Stevens M.Ed., B.Ed., B.A.

Woodroffe High School, Ottawa ON

"...His good humor and patience harmonized perfectly with the open tone of our classes. His clarity of expression and subject knowledge added volumes to the understanding of technical procedures sought by our students. His flexibility, energy and resourcefulness have contributed to the learning experience of everyone here."

"...Ben is straightforward, honest, (just the littlest bit over) qualified, confident, calm and possesses the very important quality of a sense of humor."

**S. Willcock
Teacher**

Canterbury High School, Ottawa ON

Experience

DREAM FRONT ENTERTAINMENT INC. Halifax, NS.

Producer and Co-Owner 1/07 to Present

In 2007 I left Capital Health to form Dream Front Entertainment. Our primary mandate is the production of innovative content for television and film, and includes strong emphasis on providing student mentorship opportunities under the experienced guidance of key crew. The time requirements of this position have transitioned to part-time as we gain larger projects south of the border and are able to delegate responsibility.

Key Contributions:

- implementing the student placement and mentorship program;
- the development and management of multimillion dollar budgets;
- hiring and management of dozens of crew and staff;
- researching and implementing new technologies to enhance production values;
- the oversight and signatory control of a multitude of projects from inception to delivery (*writing/directing/producing*)

CAPITAL DISTRICT HEALTH AUTHORITY Halifax, NS

IT Coordinator 1/06 to 1/07

While laying the framework for the establishment of Dream Front, I took a contract working on a Health Canada funded Distance Education project via Capital Health in a key academic/technical position. This position required a thorough understanding of interprofessional practice, distance education technologies, graduate-level curriculum development and the ability to model each of these resources into an innovative university graduate-level course in introductory psychosocial oncology.

SOCIAL PLANNING COUNCIL OF OTTAWA Ottawa, ON

Head of Information Technology 5/04 to 1/06

Office Manager 1/04 to 5/04

Beginning as a temp office manager while studying full time, I was taken on permanently to develop/maintain Windows 95/XP/Web applications and to oversee all technology operations within the office. I was responsible for the general health and maintenance of the office LAN and its workstations, and for ordering and constructing new PCs. Acting senior technical consultant for all office staff; troubleshooting and providing solutions for a wide range of software and hardware issues. Concurrently I was the senior web-master for multiple web systems and the technical liaison for the SPC--additionally responsible for coordinating volunteers.

NORTEL NETWORKS Ottawa, ON

Web Application Developer – Co-Op 1/00 to 1/01

Multiple successful co-operative education terms with Nortel Networks via Acadia University while enrolled in the bachelor of computer science program. Already an accomplished programmer, I switched programs and transferred to the University of Ottawa the next year to expand my academic horizons in my other fields of interest, theatre production and film.

"Ben has the skills to create a history for a school."

"His skills in video production and such allow him to connect students to their school, highlighting their successes and merging school accomplishments with the greater community identity."

K. Bush
Principal
Woodroffe High School, Ottawa ON

"The fact that Mr. Stevens jumped in and started teaching during the transition phase when I was absent in Europe, lends testimony to his abilities in the field of teaching."

"... I have often felt that the most demanding criterion that a co-operating teacher can use to evaluate ... is to ask the question, 'Would I want this person to teach my children?' Unequivocally, I can say yes in Ben's case."

B. Summers
Teacher
Canterbury High School, Ottawa ON

Selected Awards & Achievements

2005 – **ONTARIO SECONDARY SCHOOL TEACHERS' FEDERATION PRIZE:** "for the student in the Intermediate / Senior Division of the Teacher Education program who has demonstrated academic excellence and outstanding qualities of leadership and character."

2003 - B.A. - Graduated Cum Laude
2005 - B.Ed. - Graduated Magna Cum Laude
2006 - M.Ed. - Summa Cum Laude Grade Range
2006 - Black Stripe / Moo Kwon Taekwondo (Grandmaster Tae E. Lee)
